- Strategies for 'waste to energy' technologies, energy storage
- Roadmap for India's target of 500GW of renewable energy by 2030
- India's initiatives for solar energy and International Solar Alliance
- Impact of Carbon-Neutral Energy Sources and Technologies
Transitioning to EVs: a feasible alternative to fossil fuels?

Invitation

Justice M. N. Venkatachaliah
Chairman, Institute of Directors

*former Chief Justice of India
former Chairman, National Human
Rights Commission of India and
National Commission for Constitution
of India Reforms*

Dear Friends,

The 25th edition of the annual flagship event of the Institute of Directors, India (IOD) – The International Conference on **Environment Management and Climate Change** (ICEM) will be held from **June 27–28, 2024** in Bengaluru (India).

This will be a major global event which will also provide inputs for UNFCCC's COP29 Baku, Azerbaijan in November. Climate Change is the defining issue of our time. From shifting weather patterns that threaten food production, to rising sea levels that increase the risk of catastrophic flooding, the impact of climate change is global in scope and unprecedented in scale. Without drastic action today, adapting to these impacts in the future will be more difficult and costly.

The Conference will focus on various global, regional, national and coastal zone issues. The roadmap will include detailed steps for all sectors and themes, including climate adaptation, loss and damage, finance, technology and capacity building to promote climate friendly people-centric development. To discuss current Environmental Challenges, IOD is bringing together leading representatives from international organizations, government, business & industries, research & academia official representatives from a number of countries.

IOD looks forward to welcome your participation in its endeavour to further develop a corporate leadership that would not only be environmentally sensitive, but also empathetic towards climate change concerns & climate justice and carve out collective market-oriented solutions for building Sustainable and Environmental Friendly development.

Regards,
M. N. Venkatachaliah

Tomasz Kozlowski**, Ambassador of the European Union to India releasing the Convention Souvenir at the IOD's 2016 Environment Congress.

“ Nature is angry.
And we fool ourselves if we think we can fool nature.
Because nature always strikes back. And around the world,
nature is striking back with fury. ”

- António Guterres, Secretary
- General, United Nations

Golden Peacock Awards®

A Strategic Tool to Lead the Competition

Golden Peacock Awards, instituted by Institute of Directors, India in 1991, are now regarded as benchmark of Corporate Excellence worldwide.

Golden Peacock Awards have been instituted to celebrate and honour the best, as recognition of their unique achievements to build their Quality and Brand. No award has achieved such respectability and admiration from the industry as the 'Golden Peacock Awards', which today receives around 1000 applications for various Awards each year. The selection of Award winners is an elaborate process by a team of professional independent assessors. The Jury comprises some of the eminent public figures of India & Global, known for their independence and impartiality.

The Jury is Chaired by **Hon'ble Justice M. N. Venkatachaliah**, former Chief Justice, Supreme Court of India and former Chairman, National Human Rights Commission of India and National Commission for Constitution of India Reforms.

ABOUT IOD

Established in India in 1990, the Institute of Directors (IOD), is a national association of Corporate Directors, registered under the Societies Registration Act, XXI of 1860. It has been instrumental in shaping a cadre of business leaders equipped to navigate the complexities of our economic landscape. Through its various educational programs, training initiatives, events, and advocacy for best practices, IOD contributes significantly to the development of a leadership cohort that understands the symbiotic relationship between responsible governance and economic prosperity.

Currently, IOD is associated with around 30,000 senior executives from Government, Public and the Private sectors of India and abroad.

The Institute of Directors (IOD) in India having its headquarter at New Delhi, as well as regional offices in major cities such as Mumbai | Bengaluru | Hyderabad and Chennai, reflect the IOD's commitment to serving its members across different geographical areas, offering more localised services and support to its members while considering the diverse business landscapes and corporate environments in different regions.

Over the last 34 years, IOD has been pioneering a silent revolution within the Boardroom, as India's leading organisation for directors.
