CONCEPT NOTE

The **National Conclave on Business Excellence & Leadership** will bring together industry leaders, policymakers, and governance experts to explore the evolving dimensions of corporate excellence in India's growth journey. The discussions will focus on how **Innovation, Governance, and Leadership** converge to create resilient and globally competitive enterprises. The conclave will highlight India's financial stewardship, the pivotal role of **Independent Directors**, and Gujarat's contribution to the vision of Viksit Bharat 2047. As Gujarat celebrates 75 years of progress, the event will serve as a platform to chart the roadmap for **Sustainable Business Excellence and Transformative Leadership**.

WHY TO ATTEND?

- The convention offers clarity on what modern boards—and especially Independent Directors—must do to enhance accountability, accelerate growth, and manage new-age risks.
- The event showcases how Gujarat's development strategies, policy approaches, and economic vision are shaping India's long-term growth, offering valuable lessons for organisations nationwide.
- Discover how organisations are approaching financial resilience, capital deployment, and sustainable value creation—critical themes for board members and CXOs.
- Learn how technology, digital transition, and future-ready thinking are becoming essential for governance and enterprise leadership in all sectors.
- The convention gathers influential leaders whose viewpoints help shape industry direction, regulatory expectations, and governance standards.
- A valuable opportunity to interact with senior leadership, board members, entrepreneurs, regulators, and governance professionals in a curated, high-quality environment.
